Report from St Mary's Stoke Ipswich

St Mary Stoke, Ipswich are so very grateful to the Elizabeth Walter Trust for the grant awarded to us for our TV and stand.

We use for so many things! For example: to show the All Age Action song at the 10am service, to provide visuals for the 6pm Service (pictured below) and for our weekly youth group (also pictured below). At the youth group we have learned the actions to Christian songs, and watched videos that help us to explore our faith together. Additionally, they have been used to present the Alpha course, provide images on a retreat day, share songs and videos for our Christingle Service and Inspiring Angels, they have enabled us to show SMuppet videos at Harvest and throughout the year, and we have used them at many other events and activities as an aid to sharing our Christian faith.

We have learned the importance of good AV as a way to ensure that we take every opportunity to share the Good News of Jesus Christ to those new to the faith, and especially younger generations.

Thank you ever so much!

Revd. Sophie
